Greetings,

TYALLA SHOWCASE
Tomorrow at 12.00pm, Tyalla will be having a special showcase to celebrate the wonderful achievements in our school in the creative and practical arts. Everyone has been madly rehearsing and there is certainly a great buzz of excitement in the air. The special performance will be held at nearby Sportz Central (Joyce Street) and will involve performances from every student and every class within our school. There will be photos available for purchase at the concert. It promises to be a very exciting occasion and I hope we see lots of people on the day. Go Tyalla!

LEARNING FOR LIFE
Learning for Life is a support program aimed at encouraging financially disadvantaged families as they educate their children. In the past we have had families at Tyalla who have been successful in gaining this extra support for their children. The successful applicants will receive a small payment (usually totalling $250) in order to assist in the education of their child. I am pleased to advise Tyalla Primary School parents and carers that I am in the position to accept student referrals to the Learning for Life Scholarship Program in Coffs Harbour.

Referral Forms are available from the office. To be eligible, each family must satisfy the following criteria:
· Parents possess a Health Care Card or Pension Concession Card
· Parents are supportive of the children’s education
· Have multiple students attending Tyalla Primary School
· Students have a good attendance record of 80% and above.

TYALLA SHOW & SHINE
As you would be aware, on Sunday 5th October our school will be holding a Car Show & Shine as a fundraiser. Money raised will assist in offsetting the cost for swimming lessons next term. I will be having a final organisation meeting with any keen volunteers next Tuesday, 16 September at 5.00pm at the Greenhouse Tavern. It would be great to see a few new people there.

THANK YOU
I would like to offer my sincere thanks to everyone that participated in our recent parent surveys. Your feedback was most appreciated and a quick glance through the returned surveys indicates that we enjoy very positive support from our school community. Thank you again for this. I really appreciate it. I will present a full summary of these results at our first P&C Meeting next term.

HAPPY HOLIDAYS
As this newsletter is our final one for this term, I would like to take this opportunity to thank everyone for their support and encouragement over Term 3 and wish everyone a very safe and happy holiday period over the next few weeks. I look forward to working closely with you all in Term 4 as we strive to make Tyalla Primary School a fantastic place of learning.

Have a great week.

P&C NEWS

Thank you to all of the parents and carers who sent money in for the Father’s Day stall last Friday. We raised $751 on the day. The children who shopped at the stall had a wonderful time looking at all of the gifts and the cards, and making their very considered choices.
Thank you also to all of the parents, carers, P&C members and Tyalla staff who contributed to the organisation and running of the stall.
A very special thank you must go to the student runners, who not only did a fabulous job collecting the shoppers from their classes, but also helped the younger children make their purchasing decisions. Well done girls!

PARENT FORUM - WELFARE SYSTEM
A big thank you to all the parents and carers who attended our Parent Forum last Friday regarding the Student Welfare System at Tyalla Primary School. It was a great opportunity to discuss what is working well and how we can improve. We covered both the Reward System (progression of certificates) and sanctions (white slips/time out/suspensions). There was much support for our existing system and some great ideas about fine tuning some aspects to improve consistency across the school. We look forward to continued consultation with our parents and carers in the future to promote our ‘Safe, Respectful Learner’ school community.

MIX AND MATCH MUFTI DAY AND PEER SUPPORT CELEBRATION
To celebrate the end of the Peer Support Program this year we are holding a Mufti Day on Friday, 19th September. Peer Support leaders will run their final session at 12 noon, followed by games with their group. Students can wear ANYTHING they like, provided it is sun safe. The idea is MIX & MATCH, so anything goes. Posters will go up around the school this week to give your children ideas on what to wear. The Year 6 leaders have done a fantastic job and are to be congratulated for their efforts.
