Greetings,

The NBN has arrived at Tyalla Primary School now and we are experiencing some phone and internet problems that may or may not be attributed to this. I apologise for any inconvenience and can assure you, it is very frustrating for us too. Let’s hope that a quick resolution is close at hand.

**LEARNING FOR LIFE**

‘Learning for Life’ is a support program aimed at encouraging financially disadvantaged families as they educate their children. In the past we have had families at Tyalla who have been successful in gaining this extra support for their children. The successful applicants will receive a small payment (usually totalling $250) in order to assist in the education of their child. I am pleased to advise Tyalla Primary School parents and carers that I am in the position to accept student referrals to the Learning for Life Scholarship Program in Coffs Harbour.

Referral Forms are available from the office. To be eligible, each family must satisfy the following criteria:

- Parents possess a Health Care Card or Pension Concession Card
- Parents are supportive of their children’s education
- Must have multiple students attending Tyalla Primary School
- Students have a good attendance record of 80% and above

**TYALLA CRICKET TEAM**

Recently, our cricket team participated in the North Coast selection trials for the District Cricket Team. Our boys and girls represented our school well and displayed excellent manners and sportsmanship. What a fantastic bunch. Well done kids.

Have a great week,
Stewart Copeland

P&C NEWS

Dear Parents & Carers,

Can you believe Easter is just around the corner? It is Tyalla Easter Raffle time again - so look out for the Easter Raffle tickets that will be coming home with your children this week. As always, we hope to have lots and lots of prizes to give away so there will be lots of winners! The raffle will be drawn after the Easter Hat Parade on Wednesday, 1st April. Tickets (sold or unsold) should be returned to school by Friday, 27th March.

We have such a generous community and usually have so many donations of Easter eggs for the raffle - I’m sure that this year will be no exception. Please leave your Easter egg donations at the office.

We are also getting organised for our Election Day BBQ, cake and second hand book stall. As mentioned, if you have book donations they can be left in the box in the school foyer.

Thank you.

Have a beautiful week.

RINGWORM AND IMPETIGO (SCHOOL SORES)
Please be aware that several cases of Ringworm and Impetigo have been reported in recent days. Please see your doctor or medical practitioner if symptoms are detected.

Ringworm presents as a small scaly patch on the skin surrounded by a pink ring. Your child needs to be kept home until the day after fungal treatment has begun.

Impetigo presents as small red spots which change into blisters that fill with pus and become crusted, usually on the face, hands or scalp. Children must be kept at home until treatment starts. Sores should be covered with a watertight dressing.
Spread of both conditions may be prevented by careful hand washing.
